How to Apply Ericsson's [MBA Program](#) offers students opportunities to complete an MBA in a working environment. Opportunities are on a business need-basis only.

Although not only for MBAs [The Excellerate Global Leadership Programme and Early Career Programme](#) may be of interest. EXCELLERATE is an opportunity to engage with commercial projects at a strategic and global level. During an 18-month development program, candidates will gain real insight into the business, Ericsson's customers and how the company integrates end-to-end solutions. The rotational program includes international assignments and mentoring from a senior leader. Applications are via the Ericsson job site at [Careers](#). Go to [Search jobs](#) and type in 'Excellerate' to find the listings.

[Internships](#) are offered by the company, interns are recruited from diverse backgrounds, various areas of study and into every area of the business, including: Computer Science, Computer Engineering, Electrical Engineering, Information Technology, Management, Information Systems, Business, Finance/Accounting, Marketing and Human Resource Management.

For experienced hires, please visit [Search Jobs](#).

Key Dates For recruitment events across the globe, visit [Campus Events](#). The Excellerate Program opens for applications every two years.

International Opportunities The Excellerate Global Leadership Programme is a global programme. Candidates should apply to the country in which they wish to be employed (permanent citizenship is not required but a valid work permit is preferred), and on completion of the program must return to their home unit in their country of employment to take up a position.

Additional information Ericsson is a world leader in communications technology and services with headquarters in Stockholm, Sweden. Its organization consists of more than 111,000 experts who provide customers in 180 countries with innovative solutions and services. In Q3 2017, net sales decreased by -6% YoY to SEK 47.8 billion. The Ericsson stock is listed on Nasdaq Stockholm and on NASDAQ in New York.
