**Company** **Itua Unibanco S.A.**  
Praça Alfredo Egydio de Souza Aranha #100, São Paulo, Brasil  
  
+55 11 50191122  
  
<https://www.itaubanco.com.br/sobre/>

**Key contacts** Points of contact for MBA recruitment are: Itaú Unibanco: [mbarecruiting@itau-unibanco.com.br](mailto:mbarecruiting@itau-unibanco.com.br), Itaú BBA: [mbarecruiting@itaubba.com](mailto:mbarecruiting@itaubba.com)  
Renata Tubini- **Human Resources Director** - +55 11 50191122

**How to Apply** The careers portal can be found at [Trabalhe no Itaú](#), the initial site is only in Portuguese but one can navigate to English language sections of the site. Itaú have an [MBA specific area](#) in English that gives information of the programmes they run for MBAs. The company has structured two career options for MBA students, both programs are specifically designed to provide the training and resources needed for every career stage a [full-time programme](#) and a [10-week summer internship programme](#), aimed at MBA students still in their first year of study. Both programmes provide MBAs with a highly structured training and development programme. Details of how to apply can be found [here](#); alternatively applicants can contact the HR directly on the above e-mail addresses.  
Itaú also runs a variety of [graduate schemes](#) and [internships](#) that may be of interest to less experienced MBAs.

[Current vacancies](#) can be searched and applied for via the website and applicants can also make speculative applications by [sending their CV](#).  
Note: Only the MBA recruitment section of the careers site is in English.

**International Opportunities** All Opportunities are based in Brazil.

**Key Dates** The MBA recruitment process starts in November so interested applicants should monitor the website for information on the exact date, a [recruitment schedule](#) outlining the key dates can be found online.

**Additional Information** Brazil's largest private sector banking group Itaú Unibanco is the result of the 2008 merger between local banks Itaú and Unibanco. It offers a broad range of financial products and services, including credit and banking services, to individuals and business both inside and outside of the country. The group offers retail banking through Itaú Unibanco and corporate and investment banking through subsidiary Itaú BBA. It also operates overseas through branches in New York, Grand Cayman, Tokyo and Nassau, and subsidiaries in Cayman Islands, Argentina, Chile, Paraguay, Uruguay, Portugal and Luxembourg, among others. The bank had some 106,000 employees and a network of about 4,900 branches and banking outlets and more than 30,000 ATMs installed across the country at end-2009.

Internship Queries should be directed to: [suporteestagio@ambev.com.br](mailto:suporteestagio@ambev.com.br)

Applicants are encouraged to apply via the website.

**How to Apply**

AmBev runs a number of [Student and graduate](#) programmes that may interest MBA graduates.. Ambev have recently started to offer a [MBA Summer Progam](#), the program lasts 10-12 weeks and is based in São Paulo. In addition to the trainee program, AmBev runs an internship program, the [Programa de Estágio](#), aimed at students still enrolled in a course, again it may be of use to MBAs in their last year in need of experience. Applicants can [apply online](#) via the online job search. While not based specifically in Brazil Ambev does offer the [Global MBA Program](#) aimed at top achieving MBA graduates seeking to gain experience with a world class company. Full details can be found online as well as details of how to [apply](#).

Experienced candidates can view current vacancies online using the company's [Job Search](#) tool.

Potential applicants should note that the career website is only in Portuguese and a reasonable competency in both Portuguese and English is required for any roles in the company.

**International Opportunities**

International opportunities exist in various parts of Latin America.AmBev offers the [Global MBA Program](#), available in numerous countries worldwide.

**Key Dates**

The application process for the [Programa de Estágio](#) is currently open; applicants can visit offers to apply or view any current or upcoming internship offers, they tend to be area specific so may come up sporadically. Intake periods for the Global MBA Program are region specific, so interested applicants should view the desired region.

**Additional Information**

Ambev SA primary business is the production and distribution of beer. The Company also operates in the soft drinks and non-alcoholic and non-carbonated businesses with proprietary brands. Ambev has exclusive bottler and distributor rights for Pepsi CSD products in Brazil.
