Contact Credit Suisse has a huge team of recruiters. All applications must be submitted via their online process and, if successful, contact will then be made by the appropriate recruiter/hiring manager.

Masters Programmes Credit Suisse runs two full-time development programmes that are suitable for applicants with a Master's degree: The Analyst programme is open to Masters students (any discipline) who are looking for a career entry in Investment Banking. The programme combines formal learning, on-the-job practice and mentoring. Successful applicants will have exposure to senior managers, colleagues, and peers across the bank at all levels.

The Quantitative Programs are ideal for candidates with a Master's degree in a quantitative discipline such as mathematics, physics, engineering, computer science or quantitative finance. Participants gain exposure to a number of high-impact opportunities across Equities and Fixed Income markets. For full information about these programmes, go to [Full-time Programmes](#).

For applicants keen to work in Switzerland, [Internships](#), (Masters appropriate) [Career Start Program](#) and (MBA preferred) [Private Banking Associate Programs](#) are also available.

How to Apply The careers website can be found at [Careers](#). An application for all programmes and direct hire positions is via the online process. Full information about how to apply for the programmes can be found at [Full-time Programmes](#).

Key Dates All vacancies for Analyst programmes are listed on the job search facility at [Applications](#) on the careers website. Recruitment deadlines can be found at [How to Apply](#).

International Opportunities Full-time and Internship programs are available in EMEA, the Americas, Asia-Pacific, and Switzerland. Opportunities are subject to availability. For development programmes, applicants are advised to visit www.credit-suisse.com and select their preferred country/ region. Once at their local website, to select 'careers' from the top menu and then 'Campus Recruiting'.

Additional Information As one of the world's leading banks, Credit Suisse provides its clients with private banking, investment banking, and asset management services worldwide. Credit Suisse offers advisory services, comprehensive solutions, and innovative products to companies, institutional clients and high-net-worth private clients globally, as well as retail clients in Switzerland. Credit Suisse is active in over 50 countries and employs approximately 47,170 people from 150 different nations. Credit Suisse is comprised of a number of legal entities around the world and is headquartered in Zurich.
