Company	Bank of America
Address	America Corporate Center, 100 North Tryon Street, Charlotte, NC 28202, US UK: Address: Financial Centre, 2 King Edward Street, London, EC1A 1HQ UK
Telephone	+1 980 335-3561 UK: +44 (0)20 7628 1000
Corporate Website	www.bankofamerica.com
Contact	Contact should be made via the website, however, if assistance is needed email graduate.recruitment@bamf.com or call the UK Graduate Recruitment team on Tel: +44 (0)207 996 3528 for assistance.
Masters Programmes	The main careers website can be located at Bank of America Careers . Bank of America offers two levels of program; Analyst and Associate, depending on experience and academic achievements. Masters degree level candidates would be typically recruited as an Analyst for which there are many programs available. To find the right opportunity, visit Find Your Fit selecting the preferred location, education level, and business area. Available opportunities will be listed.
How to Apply	Candidates are required to make an online application via the Bank of America application system.
Key Dates	The dates vary per country and program. In the US, the recruiting process typically takes place from August to November for full-time positions and from September to March for Summer Internship recruiting. For opportunities in Canada, the recruiting typically takes place from August to September for full-time positions and from November to January for Summer Internships. Within the UK, recruiting for analyst level positions generally takes place from September to December annually with internships taking place at various times throughout the year.
International Opportunities	The Analyst Programmes for graduates are available in the Americas, EMEA, and Asia-Pacific.
Additional Information	Bank of America is one of the world's leading financial institutions, serving individual consumers, small and middle-market businesses and large corporations with a full range of banking, investing, asset management and other financial and risk management products and services. The company provides unmatched convenience in the United States, serving approximately 66 million consumer and small business clients with approximately 4,300 retail financial centres, including approximately 2,200 lending centres, 2,400 financial centres with a Consumer Investment Financial Solutions Advisor and 1,700 business centres; approximately 16,600 ATMs; and award-winning digital banking with more than 37 million active users, including over 28 million mobile users. Bank of America is a global leader in wealth management, corporate and investment banking and trading across a broad range of asset classes, serving corporations, governments, institutions and individuals around the world. Bank of America offers industry-leading support to approximately 3 million small business owners through a suite of innovative, easy-to-use online products and services. The company serves clients through operations across the United States, its territories and more than 35 countries. Bank of America Corporation stock (NYSE: BAC) is listed on the New York Stock Exchange. The company has more than 200,000 employees. In 2019, the company reported total revenue of \$91.2 billion

Company **Barclays Bank Plc**

Address 1 Churchill Place, London E14 5HP, UK

Telephone +44 (0)20 7116 1000

Corporate Website www.barclays.com

Contact Barclays has a 'no names' policy and all recruitment enquiries must be made online. However, the following central teams can also handle recruitment queries:

Barclays Resourcing 0845 300 0689, email on resourcinghelpdesk@barclays.com
For information about the graduate schemes, email: campus.recruitment@barclays.com

Masters Programmes Barclays has a large number of [graduate opportunities](#) (Analyst) that are eligible to undergraduate and Masters graduates. Advanced degree graduates are also advised to investigate [\(EMEA\) post-graduate positions](#) (Associate positions). Although many of these positions may specifically ask for an MBA, some Associate positions require Masters or PhD qualifications in other disciplines. Masters in STEM/IT subjects with limited experience could apply for the [Technology Graduate programme](#).

The bank also runs a number of [internships](#): summer programmes run from 8 to 10 weeks and start with a training course where candidates gain skills, network with other interns and build an understanding of the bank and the industry.

How to Apply Barclays has a dedicated careers website at [Join Us](#) and [Graduate Programmes](#). This contains a wealth of information about the opportunities available in different regions of the world. Applicants will be directed to [register their application online](#).

Key Dates **Follow the links to [Join Us](#) for the latest recruitment news and deadline dates.** Barclays start filling vacancies immediately, so interested applicants should make sure they apply as soon as possible. Applications may stay open beyond the stated deadline if Barclays still have roles to fill – if so, interested applicants will find details on the specific programme pages.

International Opportunities Recruitment programmes for [graduates](#) and advanced degree graduates are available worldwide. Go to the careers website and click on the region of interest to explore the opportunities on offer in that area or at [Career locations](#). Current open positions can also be searched/applied for at [Current Vacancies](#).

Additional Information **Barclays is a transatlantic consumer, corporate and investment bank offering products and services a cross personal, corporate and investment banking, credit cards and wealth management, with a strong presence in the two home markets of the UK and the US. With over 325 years of history and expertise in banking, Barclays operates in over 40 countries and territories, has around 48 million customers and employs approximately 120,000 people. Barclays moves, lends, invests and protects money for customers and clients worldwide. Barclays is included in the Times Top 100 Graduate Employers list for 2018/19.**
